

REMARKS

Prior to entry of this Amendment, claims 1, 2, 4, 5, 7-12, 16-18 and 20 were pending in the present application. This Amendment cancels claims 2, 5, and 10-12; amends claims 1, 4, 16 and 17; and adds new claims 21-26.

Applicants note that the Advisory Action mailed February 21, 2008 indicates that the Amendment filed February 11, 2008 will be entered. Applicants also request entry of this Amendment, which includes further amendments to the claims in addition to the amendments of the February 11, 2008 Amendment. Accordingly, the amendments herein are with respect to the claims as appearing in the Listing of Claims filed February 11, 2008, and the present Listing of Claims includes claim identifiers following entry of the February 11, 2008 Amendment. Arguments from the previous response are incorporated by reference to address the issues raised in the final Office Action. Reconsideration and allowance of the application are respectfully requested.

In view of the fact that none of the art of record, whether considered alone or in combination, discloses or suggests the present invention as now defined by the pending claims, and in further view of the above amendments and remarks, reconsideration of the Examiner's action and allowance of the present application are respectfully requested and are believed to be appropriate.

Should the Commissioner determine that an extension of time is required in order to render this response timely and/or complete, a formal request for an extension of time, under 37 C.F.R. §1.136(a), is herewith made in an amount equal to the time period required to render this response timely and/or complete. The Commissioner is authorized to charge any required extension of time fee under 37 C.F.R. §1.17 to Deposit Account No. 19-0089.

If there should be any questions concerning this application, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
